Expansion Management magazine's 16th Annual Education Quotient

(one of the world's leading site location and facility magazines, evaluates secondary school districts nationwide each year in order to provide its 43,000 corporate subscribers with a valuable way of comparing the type of work force they are likely to encounter in various communities around the country.)

RISD: **Gold Medal;** score percentile-99 highest and 1 lowest reflect how the district compares to all other districts in the U.S. with a K-12 enrollment of at least 3,300 students or more.

EQ (overall score):	83
GO (academic performance):	96
RI (spending on education):	7
CI (community affluence/adult education):	13 - represents 5% of overall score

New Mexico Military Institute

- *Grants high school diplomas
- *Associate of Arts & Associate of Science Degrees in 22 concentrations
 - *Emphasis on qualities of honor, integrity, and responsibility
 - *Reserve Office Training Program (ROTC)
 - *Junior Reserve Office Training Program (Junior ROTC)
 - *2 year Early Commissioning Program
 - *Service Academy Preparatory Program

NMMI participates as a receiving school for the service academy preparatory programs. The Association of Graduates and Alumni Associations from the Air Force, US Military Academy, and the Naval Academy sponsor qualified students to attend NMMI for one year and participate fully in both the academic programs and the Corps of Cadets. Additionally, the CGRIT program from the United States Coast Guard Academy and the Admissions Department of the United States Merchant Marine Academy sponsors students to attend NMMI for a year prior to being appointed. Following a successful year at NMMI, these students receive appointments to the academies. On average, 85-100 young men and women participate in this program each year.
